TAMIU SBDC

A proud member of the
South-West Texas Border SBDC Network

Funded in part by the U.S. Small Business Administration

Laredo International Airport and El Metro Transit are both independently in the process of setting their own Triennial Disadvantaged Business Enterprise (DBE) goals and current Airport Concession Disadvantaged Business Enterprise goals.

Based on 49 CFR Part 26 and Part 23, we are providing an opportunity for "consultation with minority, women's, and general contractor groups, community organizations and other officials or organizations which could be expected to have information concerning the availability of disadvantaged and non-disadvantaged businesses and the effects of discrimination on opportunities for DBE's". We will, in turn, share our efforts to establish a level playing field for the participation of DBE's.
